

My Thoughts Return to You

Intro C

1.

C

Whenever I'm away

C(7) F

I just go on with the day-to-day

Dm F

Spend the time just trying to make it pay

G7 C

I shut down at the close of day

I never try to call

Never try to think of you at all

Count the hours while the seconds crawl

Fall asleep just staring at the wall

Chorus:

C F C

But my thoughts return to you

F G

My heart rises; I yearn for you

Am G7

A candle burns for you

F C

Till I see you again.

2.

Whenever I get lost,

Lose my way among the stars I've crossed

When it's storming, feel I've been tossed

When I wonder if it's worth the cost

I just leave it all behind

Put the lurking shadows out of mind

I take comfort in the friends I find

Leave tomorrow for some other time.

Cho

Bridge:

F

But nothing seems quite right

C

I can't chase away the dreams at night

G7

I can't stop my heart from taking flight

C

I can't wait till I can share your light

Chorus. ('Cause my...), Repeat last line x 3
